

PROCEDURES & GUIDELINES

- ❖ Everyone must come in smiling & ready to have fun!
- ❖ If you or someone in your immediate family has been to a state that is on the state's 14 days quarantine list, for the safety of your fellow dance families, please refrain from coming to the studio.
- ❖ If you or a family member is not feeling well or may have been exposed, please excuse yourself from participating in class.
- ❖ Please use the studio provided hand sanitizer as you enter the waiting room & adhere to hand washing protocols.
- ❖ Out of respect for our neighbors, all persons, including dancers, must wear a mask when entering & exiting the building & in the lobby area. Dancers are not required to dance with a mask but can if they choose.
- ❖ The lobby area is for drop off only for students under the age of 8. Only Pre-K Parents may remain in the lobby during class.
- ❖ Please do not arrive early for your class. This will allow for quick dismissal of the prior class. Each class will end 5 minutes early.
- ❖ We ask that parents kindly wait in the lot for their children until exact pick-up time to eliminate congregating in the lobby or hallway.
- ❖ Only bring the necessary shoes for your class & a water bottle. Company ballet attire will be suspended for the time being but must be tight fitting (no baggy shirts) to eliminate changing for your next class.
- ❖ Only teachers will switch rooms for students with back-to-back classes. The students will remain in the same room for both.
- ❖ The snack machine & water fountains will TEMPORARILY be non-accessible. The bottle refilling station will be available for use. You can also purchase water from the front desk for \$1.00.
- ❖ The dressing rooms will temporarily be closed. So please bring only what you need.
- ❖ A professional cleaning service has been employed to disinfect the studio weekly while we maintain daily cleanings with antibacterial cleaning of all shared surfaces & steam mopping of the floors.
- ❖ All shared surfaces are wiped & sprayed down in between classes.
- ❖ If you are picking up your child after 8pm the code to enter the building is 2456*. It locks automatically at 8pm daily.
